

Word Teaser

Every answer is a pair of words that rhyme like *can and fan* or *dandy and candy*. Put one letter in each blank square. (Leave the darkened squares blank as they indicate where words begin/end.) All answers are connected to green transportation and/or the helping the environment.

This puzzle is a little more challenging so you might want to do it as a family or with a group of friends. If you scroll down the page, you'll find some hints.
